

**PRESS RELEASE 2034**

10<sup>th</sup> Annual California Sculptors Symposium  
April 22-29, 2012  
Camp Ocean Pines, Cambria, CA

Register now for a week of high energy sculptors from different areas. Recharge your creative batteries by attending daily workshops presented by master sculptors. We have plenty of outdoor space for stone carving, wood carving and metal working, with a view of the ocean from under the shade of a pine forest. A life model will be working each afternoon for those interested in drawing and modeling clay.

Our instructors are John Fisher, Karen Cope, Matt Auvinen, Stephanie Robison, John Thompson, Peter Partch, and JoAnne Duby.

You can enjoy this entire week at a great price of \$785 (meals, lodging, symposium).

On Saturday, April 28<sup>th</sup>, we will host a large outdoor show for all participating sculptors.

For telephone inquiries, call Camp Ocean Pines at **805.927.0254** or leave questions on our symposium website. [www.californiasculptorssymposium.org](http://www.californiasculptorssymposium.org) or [www.campoceanpines.org](http://www.campoceanpines.org) for more details and online registration.
